## WHAT'S INCLUDED?

Whether it's a short city trip, a week long tour or a two week retreat in the countryside—we'll look after everything!

### FLIGHTS

We'll arrange your flights to cater to your needs. If you've got a big group, for some destinations two flights may have to be booked to accommodate everyone. If you're staying for long periods of time, or require equipment transport, we'll make sure that's included, too. Your Guide will even print out your group's boarding passes and present them to you at the airport on the departure day.

### ACCOMMODATION

Capture Travel will find accommodation to suit your needs. Whether it's private hotel rooms, hostel dorms, Airbnb or private villas.

### WALKING TOURS

We'll walk you through our suggested itinerary for your group; that includes walking tours, museums of particular interest for you and where to find the best selection of bars, shops and restaurants. When we're in the city, your Capture Guide will be on hand to lead your group and provide individualized recommendations.

### TRANSPORT

Whether it's bus transfers from airport to city, private coaches, day buses to bring your group around or utilization of public transport passes. We'll include all transport costs in your quote so that your group will never be left hanging.

### EXTRAS

We'll book any extras you require from exhibition passes to cocktail receptions, meeting rooms to pub crawls, competitive event tickets to dinners.

### SUPPORT

Constant support through your entire trip: our tour guides are there to help you with whatever you need, we'll even make sure you make it back after a night out!

## 2. LET'S MEET

If you like our quote and want to move forward with your booking, we can meet in person or have a call on the phone to discuss your trip.
